II.1.6) Description/object of the contract

Dublin City Council intends to enter into a contract with a concessionaire in relation to the utilisation of property consisting of lands and/or buildings owned by the Council ("the sites") for the purposes of providing outdoor advertising services. This should provide an opportunity to identify possible new forms of advertising in new locations in Dublin city. The contract will involve the design, construction and maintenance of advertising structures. It may also involve the provision by the concessionaire of certain types of street furniture and other services designed to enhance the public realm. The successful tenderer will not acquire any property rights in the sites or any of them. All rights accorded to the successful tenderer will be by way of contractual licence only.

It is an objective of the Council to promote high-quality and appropriate advertising structures that do not unduly affect visual amenity and that do not affect roadway safety or amenity. In particular, the Council hopes to promote and achieve the preservation of views, prospects and visual amenities of places and features of architectural, historical, artistic and cultural interest in Dublin City Council's area.

SECTION III: LEGAL, ECONOMIC, FINANCIAL AND TECHNICAL INFORMATION

III.1) CONDITIONS RELATING TO THE CONTRACT

III.1.1) Deposits and guarantees required (if applicable)

III.1.2) Main terms of financing and payment and/or reference to the relevant provisions (if applicable) See tender documents.

III.1.3) Legal form to be taken by the grouping of suppliers, contractors or service providers to whom the contract is awarded (if applicable)

Requests to participate may be submitted by groups of contractors. If consortia are making proposals, they must appoint a Prime Contractor who will assume overall responsibility for the delivery of the project and the signing of the contract. The name, address, email address, telephone and fax numbers of Prime Contractor should be provided. Applicants are required to identify each member of the bidding group, indicating the role to be carried out by each member. A description of the relevant companies must be given together with an overview of the structure of the group.

Should the contract be awarded to a consortium, each firm in the consortium shall be jointly and severally liable to the Council for the fulfilment of the terms of the contract. Submissions should make clear which companies are proposed to be members of the consortium (and jointly and severally liable to the Council) and which are to be sub-contractors. Subsequent changes to the members of the consortium may result in disqualification of that group.

III.2) CONDITIONS FOR PARTICIPATION

III.2.1) Information concerning the personal situation of the contractor, supplier or service provider and information and formalities necessary for the evaluation of the minimum economic, financial and technical capacity required

III.2.1.1) Legal position - means of proof required

Applicants must provide confirmation that the situations described in Article 29 of Directive 92/50, as amended, are not applicable.

III.2.1.2) Economic and financial capacity - means of proof required

Robust financial standing should be demonstrated by providing the following information in relation to the Applicant (and consortium member, if appropriate):

- Audited accounts / financial statements for the last three financial years;
- The percentage of its turnover which relates to the design, development, exploitation and/or maintenance of outdoor advertising; and
- Appropriate bankers' references; and
- Professional Indemnity insurance, public liability insurance and employer liability insurance.

III.2.1.3) Technical capacity - means of proof required

Applicants should provide the following evidence that they have the necessary technical capacity:

- A list of similar projects undertaken by the Applicant and its key sub-contractors ("the Applicant's Team"), either by the team as a whole or each individual member or sub-contractor, during the last five years, particularly projects of similar nature size and complexity. In the case of each project, the Applicant should provide information on project value, type and client. The projects should display the Applicant's capability in delivering a scheme of high quality outdoor advertising, and street furniture and other services that enhance the public realm.
- A schedule of employees and the number of managerial staff for each member of the Applicant's Team for the last three years.

- A stateme	nt of any	technicians or	r technical	bodies	whom the	Applicant	can call	lupon	for assistance a	nd outside	expertise.

Nonetheless, the Council is voluntarily advertising the contract and intends, as a matter of good practice, to comply with the provisions of the negotiated services procedure insofar as possible and practical. For purposes of prequalification, interested parties are required to submit the information described above. Separately, applicants are asked to indicate the minimum concession period which they consider would allow them to recoup their investment costs and make a reasonable return on invested capital. Applicants are also asked to give the basis for the period indicated. Note that this information will not be taken into account as part of the prequalification process. It will be a condition of the award of the contract that the successful tenderer shall produce a valid Tax Clearance Certificate from the Revenue Commissioners. In the case of a non-resident tenderer, a statement of suitability on tax grounds from the Irish Revenue Commissioners will be required. Dublin City Council is subject to the provisions of the Freedom of Information Acts 1997 -2003. Tenderers are asked to consider if any of the information supplied by them in response to this notice should not be disclosed because of its sensitivity. If this is the case, tenderers should, when providing the information, identify same and specify the reasons for its sensitivity.

Dublin City Council reserves the right without advance notice to amend or otherwise change the process or to terminate the process. This notice does not represent a commitment to enter into any contract. The Council shall not be in any way liable for

the cost of the preparing tenders or for any other pre-contract commitments entered into by Applicants.
