Cycling in the County

Dún Laoghaire-Rathdown County Council is committed to improving facilities for cyclists.

In the 2012, the Council developed a County Cycle Network, following an assessment of all existing routes in the County. The main objectives of this assessment were:

- > To identify and implement safe cycling routes to key destinations in the County.
- > To retrofit areas towards creating sustainable neighbourhoods so that cycling, together with walking, can be the best option for local trips.
- > To help prioritise funding to deliver cost effective cycle friendly improvements to the cycle network in the County.

The aim of the improved cycle network was to create conditions to encourage and facilitate increased levels of cycling in the County by providing direct routes with a high level of service. This leaflet provides details of one route being enhanced as part of the County Cycle Network. Details of all routes can be found on www.dlrcoco.ie under Cycling.

BLACKROCK CYCLE ROUTE

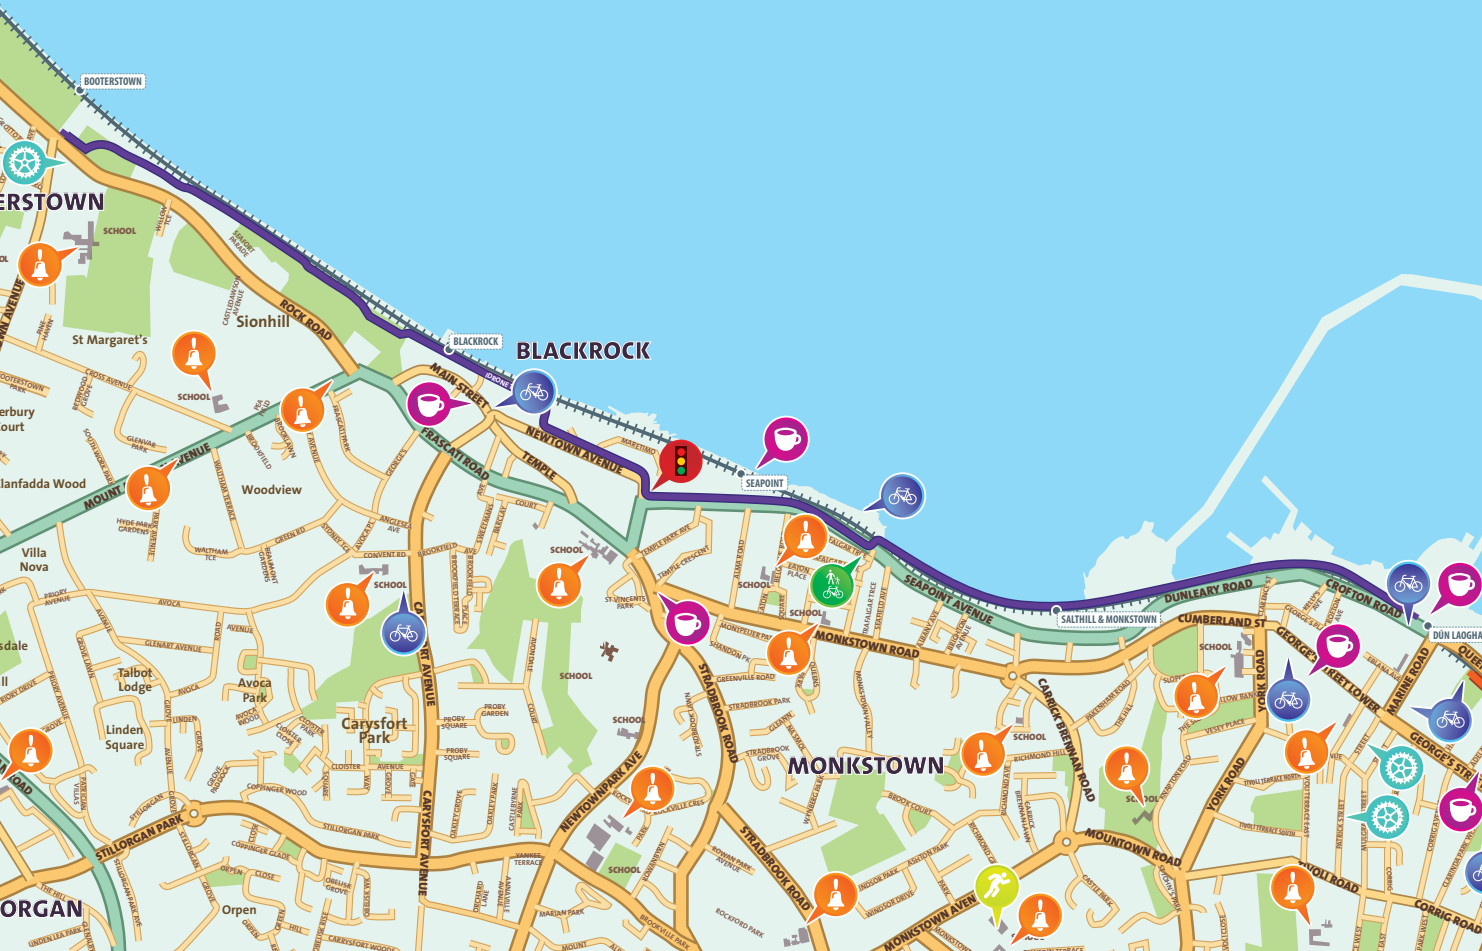

Boosterstown to Dún Laoghaire

BLACKROCK CYCLE ROUTE

Boosterstown to Dún Laoghaire

- Booterstown to Blackrock – The route commences at Blackrock Park at Booterstown Dart station. It then continues along a car free cycleway in the park and exits the park at a narrow laneway at Blackrock Dart Station.
- Blackrock to Seapoint – The route continues from Blackrock Dart Station to Idrone Terrace and then turns left onto a contra-flow cycle track on Newtown Avenue. The route then joins traffic on Seapoint Avenue.
- Seapoint to Dún Laoghaire – The route turns left into Brighton Vale and then turns right and continues along a shared pedestrian/cycleway between the Dart line and the seafront. Near the Irish National Sailing School, the route continues along a narrow road inside the Dart Line as far as Dún Laoghaire harbour on Harbour Road.
- At Dún Laoghaire, the route then joins with the Metals Cycle route (Map 5)
